NOT A PERSONAL CONTEST.—The *Alta* of 23d has a very judicious and well timed article under the above heading. The following extracts are taken from it:

"Nominating many tickets and thrusting forward a crowd of candidates for popular suffrage is not the only plan by which the enemies of the Union party propose to befog the public mind. For the first time in the history of State politics, a persistent attempt is made to drag the canvas down from a contest for principles to a personal squabble. Anti-Unionists everywhere strive to keep out of sight the living issues involved in the exciting canvas now going on, and to delude the people into the notion that, after all, it is only a strife for the mastery between persons. Some newspapers and some men studiously ignore the fact that the Union party has a ticket in the field, and that Union meetings are being held all over the State in behalf of that ticket, and by that party. It is a part of their disreputable tactics to give currency to the phrases 'Gorham meeting,' 'Gorham ticket,' 'Gorhamites,' etc. With equal propriety these people might say, when the Union ticket is hereafter elected, 'the Gorhamite Government,' the Gorham Legislature,' and the 'Gorham veto.' In former days we did not hear of 'Stanford ticket,' or 'Lincoln meetings,' but they were called by their proper names, except when secessionists spoke sneeringly of 'Lincoln hirelings,' 'Lincolnites,' and 'Standfordites,' just as their associates of the present day affect a fine irony for the Union nominees. With a deliberate insult to the many excellent gentlemen who were nominated on the Union ticket, they lump the whole as 'the Gorham ticket,' and the supporters of that ticket as 'Gorhamites.' Such tactics belong to the Copperheads; let them have the monopoly of them."

"Now, nobody pretends that Mr. Gorham has absorbed the Union party. He has been by it placed in nomination, and made its chosen standard-bearer. In any fight which the world ever knew, it was the standard that received the cheers and aroused the enthusiasm of the troops rallied under it—not the standard-bearer. And Mr. Gorham is a good standard-bearer, and serves the party which has placed him where he is just so far as he is capable of arousing enthusiasm. He is the only man that can so appeal to the people, because there can be but one candidate for Governor, and but one leading name on the ticket; but to ignore the existence of other nominees and confound the ticket in the man is disingenuous—it is mean."

"We stand by the Union party in this contest because we believe that it is the best hope of the State and of the State and of the Nation; so we support Mr. Gorham because he temporarily represents the Union organization.

YOUNG INFIDELS.—"Mark Twain," in a letter to the *Alta*, from New York, thus speaks of the boot-blacks of that city:

I saw a sign on a house in an obscure street, yesterday, which read "Boot-black Brigade Chapel," and found out that some well meaning enthusiast is in the habit of drumming together a lot of these *gamins de* New York together two or three times a week, and preaching to them and praying to them, under the extraordinary impression that he can save their souls. I certainly wish him well, but I bet nothing on his success.

I went in and found a preacher earnestly exhorting about two hundred of the rattiest lot of little outlaws that any city can can produce. Most of the time they listened pretty intently, but critically—always critically, for, behold, the bootblack is nothing if not critical. Part of what the preacher said they seemed to receive as square and proper enough, and part they seemed to receive under mild protest—but when he said that Lazarus was brought to life after he had been dead three days, there was a pretty general telegraphing of incredulity from eye to eye about the assemblage, and one boy with a shock head and rags all over to match, nudged his neighbor, and said, in a coarse whisper, "I don't go that, Bill, do you?—'cause he'd stink, wouldn't he?"

And when the preacher told how the five thousand were miraculously fed with twelve loaves and several little fishes, a boy said: "Say, Jimmy, do you suck that?"

"Well, I do'no. It mought a been, mebbe, if they warn't many of 'em hungry. I used the time, though, when I could 'a eat them twelve loaves myself, I could, less'n they was busters."

And so they criticised all the while, and cast disrepute upon every statement that seemed a little shaky to them, and the longer I stayed the less confidence I had in the speculation of trying to get material for salvation out of the Boot-black Brigade."

THERE is an editor in Kalamazoo, Michigan, who is in favor of Gen. Fremont for the next President. A man must be as far in the woods as Kalamazoo to think of such a thing.

TENNESSEE gave some thirty thousand majority for Brownlow. Let California do as well for Gorham.

SOAP ROOT HAIR.—We find in the San Francisco *Times* the following:

We have been shown a specimen sample of a new article of commerce which seems destined to supersede horse-hair to a considerable extent. It is made from a fibrous plant called "sap-root," and resembles the coarse hair of a horse's tail so much that it can scarcely be distinguished from it. It is brought from Placer county, where, as in many other places in the State, it grows in abundance, and is sold to hair-dressers to make chignons. Yes, ladies, those inelegant bunches of deformity to which you adhere with a tenacity worthy of a better cause, are in many instances stuffed with this rough weed. It is not pretty, but at all events, it is not liable to breed gregarines, and therefore has the merit of cleanliness. It is also being used to stuff mattresses, and as it costs only five and a half cents per pound, when the hair costs forty cents, an immense saving is of course effected by employing it. We are informed that it curls almost, if not quite, as well as horse-hair. Soap root hair is beginning to be exported too. By the last steamer sixty bales were forwarded to New York, and several shipments had been previously made by sailing vessels, *via* Cape Horn. It is quite possible that a considerable trade may soon spring up in this novel article of commerce.

THE DRAFT.—Uncle Jimmy denies having stood "pat" since 1863. He said to a friend the other day, "I don't care a d—n what Gorham says about me, only for the sake of my family. I've got five children—three girls and two boys." "A 'queen full,' by —," exclaimed our friend; "that's as good a hand as you'll ever get, old man. You'd better quit dealing."—*Red Bluff Independent.*

RESOLUTIONS

Adopted by the Union County Convention which met at Auburn, Placer county, on the 10th and 11th June, 1867:

Resolved, That it is the duty of the loyal men in the United States, through their representatives in Congress, to take under their control the government of the late rebel States, until such time as a sufficient number of the friends of the Union can be found therein to organize governments; and that then the future control of said States should be left in the hands of their loyal citizens to the exclusion of the leaders of the late rebellion and of those who voluntarily gave them aid in the field.

Resolved, That we approve of the late Act of Congress for the reconstruction of the rebel States, and earnestly hope that at the coming session the large landed estates of the gentry who gave their personal influence and donated their means to destroy the Government, will be confiscated and divided up into small tracts and donated as homesteads to the soldiers who fought our battles, saved the Union and preserved our freedom.

Resolved, That the vital issue between the Union and Democratic parties is that of loyalty to the Constitutional Government of the United States as opposed to disloyalty thereto; that the loyalty of the Union party has been abundantly manifested in the constant support of the Government in all its branches, while the disloyalty of the present Democratic party is as clearly manifest in the aid and comfort which during the late war it continually afforded to the public enemy, and in the sympathy which it still extends in favor of every movement tending to paralyze the efforts of Congress toward the healthy reconstruction of the Federal Union.

Resolved, That the Union party of the United States is the only party in favor of the Union, the Constitution and the laws, and that the pretensions set forth by the Democratic party in this regard are false and hollow, unfounded in fact, and disproved by history.

Resolved, That the mission of the Union party is not and can never be accomplished until the opposing party thereto be entirely purged of its disloyal elements and eschewing its present heresies, shall in good faith determine to accept the great results of the late war, and thenceforth to take issue only upon questions upon which adverse opinions may be holden or put in practice without jeopardizing the continuance of republican government upon this continent. Until then it is our imperative duty to stand by our colors in the full knowledge that with us is union and liberty—against us only disunion and disgrace.

Resolved, That in the present condition of our State finances, we are opposed to any donation in money or bonds or any loan of the credit of the State to railroads or other corporations, and that our candidates for Senator and Representatives if elected, are hereby instructed to oppose by their votes and personal influence the enactment of any laws having any such object in view.

P. W. THOMAS,
Chairman Committee on Resolutions.

THE UNION PLATFORM.

The Union Party of the State of California, in Convention assembled, hereby present to the people of this State their platform and declaration of party principles:

Resolved, That in the present, as in the past, we are irreconcilably opposed to treason and to traitors, whether the same shall attempt to subvert our Union and control our Government by fraud and treachery from within, or force from without; and that upon the loyalty of the Nation, tried and proven, we rely to re-establish firmly and forever the bonds of our National Union.

Resolved, that in reconstructing the nation its foundations should be justice and its architects loyalty, and we are unwilling that those so active to destroy, should be the chosen and preferred builders to erect it, and until it shall appear that in the States lately in rebellion loyal Committees exist capable and ready to administer justice and enforce law in accordance with the principles of a government of freemen and equality, it is our wish that the Government be administered and the law enforced by the loyal agents of the Federal Government.

Resolved, That in the reconstruction plan of the late Congress we recognize a policy as wise as it is magnanimous, and when the respective States late in rebellion shall bring themselves within its provisions, we will welcome them as sisters and receive them as equals in a reconstruction Union.

Resolved, That we deem the passage by the Legislature of a law establishing eight hours labor as a legal day's work, eminently just and proper.

Resolved, That the importation of Chinese or any other people of the Mongolian race into the Pacific States or Territories, is in every respect injurious and degrading to American labor, by forcing it into unjust and ruinous competition, and an evil that should be restricted by legislation and abated by such legal and constitutional means as are in our power.

Resolved, That the future primary elections of the Union party in this State should be held under the provisions of the primary election law, and that such test should be prescribed and enforced as shall exclude all persons not members of the Union party.

Resolved, That we fully approve the amendment to the Constitution of the State, presented by the Legislature of 1866, and providing that the Legislature shall have no power to make an appropriation of money for any purpose whatever, for a period longer than two years; that the same should be accepted by the Legislature, adopted by the people and become part of the Constitution of the State.

5th.—The self-adjusting Tension.

The Florence was awarded the first and highest premium at the State Fair of California, the only Fair on the Pacific coast at which any two double thread Sewing Machines were exhibited in competition in 1865.

The Florence received the only premium awarded, by the Mechanic's Institute of San Francisco, in 1864 and 1865, to any Sewing Machine, Sewing Machine Co., or Agent. The claim of a competitor to a medal is without any foundation whatever.

Wherever the Florence has been brought in competition with other Sewing Machines, it has always been declared the best. It is the most simple, the most substantial, the most efficent, and its use is easily learned. Every Machine sold is guaranteed in the full sense of the word.

SPEAKING AT GOLD RUN.—A correspondent, writing from Gold Run, under date of the 29th instant, gives the following particulars concerning the Union meeting at that place on Wednesday evening last:

The meeting was enthusiastic and a grand success, and was addressed by Messrs. Tweed and Norton, and though the numbers were congregated without any particular effort, I can safely say that we greatly surpassed the labored attempt of the Copperheads the previous evening, both in the number present, in point of respectability and in the value and character of the speeches made. It appears that the Copperheads are advertising their best speakers at the different places, in order to attract a crowd for such orators as Myers, McClure and Crutcher. I suppose they know, however, what they are doing, or think they do, but were I a Democrat, I should be in favor of keeping such men as those I have named at home. Their record and character as secessionists are much too recent to admit their adoption by the masses. Peoria, Illinois, would doubtless disown McClure for his sympathy with and covert support to the rebels during the years of the war. Crutcher would, I suppose, be received by the "city of Red Hill," Kentucky, and the authorities of that delectable "burg" would be doing nothing more than pursuing the "even tenor of their way" by tendering to Billy the freedom of the city—after the election. It is astonishing how repugnant a doughface can make himself. Of course I do not intend that anything I say in this connection shall apply to the Copperhead candidate for State Senator—of course not; but the friends of his early youth who have not left the patriotic little State of Rhode Island would be shocked at hearing of his good understanding with those who made an effort to "bust up" the Government. They certainly would not welcome him to one of their "clam-bakes," neither would they trust him or the talented Democratic candidate for District Attorney further in the political world than they could see them with a first-class telescope.

I have wandered from my subject—the Union meeting. Col. Tweed acquitted himself with great credit, in fact making a better speech than most of us expected to hear. Mr. Norton followed in an eloquent, telling address, utterly demolishing the Lilliputian efforts of the Copperheads the night before. The meeting adjourned at a late hour with three rousing cheers for the Union and the nominees on our State and county tickets. We are safe for a healthy majority in favor of "Old Glory" on Wednesday next.

WHAT DOES IT MEAN.—We received the following communication during the past week from a lady correspondent for publication. Has our fair friend been shocked by discovering illicit correspondence in the pantaloons of her lord? If she has—well, we'll find out, and if anything of the kind *has* occurred, we'll see that the wretch is quartered, and that a portion of his diminutive self is placed on each of the city gates as a warning to all who may hereafter be tempted. In the meantime we give place to *her* "howl," so as to show the masculine gender her opinion generally:

COMPENSATION.—"Better than to sing bass or climb a tree!" The satisfaction a woman has looking into all the envelopes in her husband's vest pocket when she mends that garment.

What compensation or satisfaction to sing bass? Bull-frogs can do that.

Climbing trees! Where's the man that can climb a tree and not tear his unmentionables, eh?

ASTOUNDING NEWS!—A FRESH HERO IN THE FIELD—PLACER COUNTY HONORED.

We notice that *Colonel* P. H. Sibley, *nee Doctor, alias* "*Old* Sib.," is at present canvassing the State in favor of the Democratic party. This "humble individual," we believe, first attracted notice as a "doctor" at Volcano Bar, on the Middle Fork of the American River, at which place his patients soon became "scarce," when he migrated to Iowa Hill, where he hung out his shingle as a lawyer, and until about a year since he has been a quiet citizen, with the exception of "doctoring up" primarirs and submitting his claims to conventions for endorsment. He ran for Congress in 1859, but was taken from the ticket or resigned in order that his party might be lightened of a load. He was afterwards appointed one of the Railroad Commissioners, but not having any *financial* ability, he failed to receive the compensation to "which" he considered himself entitled from the Railroad Company. He took a trip to Washington, in order to advance his political or other interests, and returned in about six months, since which time he has been *settled* in the beautiful town of Colfax, Placer county, California, until about a month ago, when he started out on the Democratic canvass. We neglected to state that *Colonel* Sibley was a candidate for nomination two years ago before the Union County Convention of this county for District Attorney, and failing to secure that he linked his fortunes with that of the bolters, and ran for the same office, got scandalously beaten, and for a time subsided. We copy the following piece of the *Colonel's* history from a correspondence of that reliable paper, the San Francisco *Examiner*, which will fill up the short intervals not mentioned by us in the above. The article is supposed to have been written by one Sawyer, who is Old Sib's traveling companion, and is thought to be equally as reliable. The news will doubtless be astonishing to the people of our county, and our only surprise is that Sib. has allowed the laurels earned by him in his hard fought battles (by proxy) on the plains of Shiloh, Gettysburg and the Wilderness to have rested so long in silence. The following is the piece of history alluded to:

"Mr. Sawyer was followed by Colonel P. H. Sibley, who has been a life long opponent of Democratic principles, and is an acquisition of whom we may well feel proud. In former times Colonel Sibley was an active member of that party whose honored and illustrious chieftain now reposes in the shades of Ashland, where its banner lies furled upon his tomb. From the death of the old Whig party up to within the last month or two, Colonel Sibley has been an ardent Republican, and during the late civil war was an officer of the Federal army. Having *fought* to restore the Union, he refuses now to stultify himself by acting with that party which is working for its destruction. He addressed himself particularly to Republicans, and told some wholesome truths, which cannot fail to have a good effect. He spoke for at least an hour, and the frequent shouts of applause with which he was interrupted, must have told him plainly enough that his words had penetrated the deepest recesses of hearts from which the bitterness of partisan rancor had been eradicated, and which, once more illuminated by the light of truth, beat responsive to the calls of country and the duties of patriotism. All honor to the noble Colonel Sibley."

We suggest that the people of our county pay proper respect to this "doughty hero" wherever he appear before them, and whenever possible that a full band be employed to play the tune, "Sib., the Conquering Hero, Comes!" as an appreciation of the immense military exploits of *Colonel* P. H. Sibley.

A FIZZLE.—The most complete failure at getting up a demonstration occurred in this place on Wednesday evening last, when the Democratic nominees were here. On being introduced Judge Myres took a close look for the audience and being unable to find a respectable number of the sovereigns, partially turning, said in an under tone, "where the devil is my audience?" Nothing daunted, however, the Judge commenced in true Democratic style and hurled bitter invectives upon the powers that be charging the Radicals with the crime of the Secession Rebellion and all its attendant ills, complained of the taxes and the plan adopted by Congress for the Reconstruction of the late rebel States, and closed by exhorting the democracy on the necessity of going the whole ticket. Several others were called upon but could not raise the enthusiasm for a speech. Mortal fear of the negro, terror of the Mongolian and the Radicals, the total destruction of all things if the fanatics carry the election was about the substance of the whole of it.

STATE FAIR.—We acknowledge the receipt of a complimentary ticket to the exhibitions under the management of this truly excellent society. We hope that the several industries of our county will be duly represented. There will be on exhibition quartz mills, amalgamators and other machinery incidental to mining; woolen and silk looms and reels; a trial of agricultural implements, and a full exhibition of stock. A large number of horses, comprising some of the fastest and best stock in the State, are already on the ground, and more are to come. The fair begins on Monday, September 9th, and continues during the entire week. Ample arrangements have been made for the accommodation of the immense number expected to be present.

A NUT FOR IRISHMEN.—The *Messenger* speaking of Jeff. Davis' recent speech in Canada in which he is said to have used the following language: "I hope that Canada may forever remain a part of the British Empire, and may God bless the British Flag, which may never cease to wave over you all," says that a son of Erin on hearing the ungrateful wish as applied to his countrymen's efforts for freedom, indignantly responded: "We wish from our soul that this blasphemous old man, who laid bloody hands upon the fairest fabric ever known on earth, were at this moment compelled to change places with Thomas Francis Burke." And yet the Copperheads, notwithstanding their known hostility to all foreigners, claim a majority of the Irish vote at the next election. How these men can support a party that has ever advocated measures tending to their injury as well as humiliation is a mystery to every man. What a humiliating spectacle, to see these men licking the hand that is upraised to strike them.

HARD TO PLEASE.—It is related that Col. Cake Collector of the port of Philadelphia, a short time ago received a note from Secretary McCulloch, who stated that he had heard with mingled surprise and indignation that he (the Collector) had appointed to subordinate places in the Custom House "men who had abused President Johnson." To this charge Col. Cake responded that he did not know where to look for anybody who had not abused the President; the Democrats abused him before the election and the Republicans since that event, so he had been abused all around.

CHOLERA!

MR. PERRY DAVIS:—Sir: The benefits I have received from the use of your invaluable remedy, the Pain Killer, induces me to pen you a word in its praise. Experience has convinced me that for Headache, Indigestion, Pain in the Stomach, or any other part of the system, severe Chills, Weariness, common Colds, Hoarseness, CHOLERA, CHOLERA MORBUS, Diarrhœa, Dysentery, Toothache, etc., THERE IS NOTHING BETTER THAN THE PAIN KILLER. I have this hour recovered from an attack of the Sick Headache, by using two teaspoonsful, taken at thirty minutes interval, in a wine glass full of hot water. I am confident that, through the blessing of God, it saved me from the cholera during the summer of 1843. Traveling amid heat, dust, toil, change of diet, and constant exposure to an infected atmosphere, my system was daily pre-disposed to dyssentery attacks, accompanied with pain, for which the Pain Killer was a sovereign remedy, one teaspoonful curing the worst case in an hour, or, at the most half a day. I have heard of many cases of Dysentery being cured by its use. Put in the teeth, it will stop the toothache. Gratitude and a desire for its general use, has drawn from me this unsolited testimonial in its favor.

A CARD FROM THE
AMERICAN WATCH COMPANY,
Of Waltham, Mass.

This Company beg leave to inform the public that they commenced operations in 1850, and their factory now covers four acres of ground, and has cost more than a million dollars, and employs over 700 operatives. They produce 75,000 Watches a year, and make and sell not less than one-half of all the watches sold in the United States.

The difference between their manufacture and the European, is briefly this; European are made almost entirely by hand, and the result is of necessity a lack of that uniformity, which is indispensable to correct time-keeping. Both the eye and the hand of the most skillful operative must vary. But it is a fact that, except watches of the higher grades, are the product of the cheapest labor of Switzerland and the result is the worthless Ancres, Lepines and so-called Patent Levers—which soon cost more in attempted repairs, than their original cost. Common workmen, boys and women, buy the rough separate parts of these watches from various factories, polish and put them together, and take to the nearest watch merchant, who stamps and engraves them with any name or brand that may be ordered.

How American Watches are made.

The American Waltham Watch is made by no such uncertain process—and by no such incompetent workmen. All the Company's operations from the reception of the raw materials to the completion of the watch, are carried on under one roof, and under one skillful and competent direction. But the great distinguishing feature of their watches, is the fact that their several parts are all made by the finest, the most perfect and delicate machinery ever brought to the aid of human industry. Every one of the more than a hundred parts of every watch is made by a machine—that infallibly reproduces every succeeding part with the most unvarying accuracy. It was only necessary to make one perfect watch of any particular style and then to adjust the hundred machines necessary to reproduce every part of that watch, and it follows that succeeding watches must be like it.

The Company respectfully submit their watches *on their merits* only. They claim to make

A Better Article for the Money

by their improved mechanical processes than can be made under the old fashioned handicraft system. They manufacture watches of every grade, from a good, low-priced and substantial article, in solid silver hunting cases, to the finest chronometer; and also ladies' watches in plain gold or the finest enameled and jeweled cases; but the indispensable requisite of all their watches is that they shall be GOOD TIMEKEEPERS. It should be remembered that, except their single lowest grade named the "Home Watch Company, Boston," ALL Watches made by them

ARE FULLY WARRANTED

by a special certificate, and this warrantee is good at all times against the Company or its agents.

SEMI-WEEKLY ENQUIRER.

THE MEETING.—The Union men of Dutch Flat and a few from Gold Run gathered to hear Col. C. A. Tweed and Judge McFarland on Thursday evening last They were well repaid. Col. Tweed utterly demolished the slanders of the Sacramento *Union;* he showed up the inconsistency and selfish malignity of that sheet and rejoiced that its power was broken. The high intelligence of the people has enabled them to penetrate the flimsy pretense of virtue and disinterested love of purity under which the *Union* hid the dagger to stab the Union party, and in spite of all its sophistry and lies all wise Union men will help elect the whole ticket. Touching upon the groaning of the Copperheads under the burdens of taxation, especially their anxiety to have the Government bonds taxed; he alluded to the situation at the time the bonds were issued, and drawing himself up to his full hight he said with sublime sarcasm: "Why, these fellows talk as though they had as much to say in this matter as you and I!. Compelling the expenditure by their treason, they now ask us to disgrace our eyes by repudiation. If justice had been done at the close of the war all the property of the Southern rebels and their Copperhead allies here should have been taken to pay the national debt." The Col. was greeted with cheers on taking the stand, and applauded frequently throughout his speech of over an hour. Judge McFarland was also received with cheers, and for an hour and a half kept his audience in a blaze of enthusiasm, while he excoriated the Copperhead Democracy by raking up their treasonable record and demolishing their refuges of lies. He said that neither Haight nor any of his cohorts had uttered one manly word for the right and true to thrill the heart of a lover of his kind. All he and they had done was to appeal to the baser prejudices of the lowest order of minds.—Coming to the Sacramento *Union*, he proved that they had lied about the Second District Congressional Convention at the time it was held, and now about what they had then said about Higby; and further, that they had lied about the State Convention, by claiming that Hillwell had 200 votes in it, when the fact was that when he was asked by Bidwell's friends to run for temporary Chairman, and caucused the Bidwell men, they could find only 140, and that was on Tuesday, before there had been any chance to buy or trade. And being a friend of Bidwell, and a candidate for Chairman, he had the best opportunity to know, and was as anxious as anybody to find out the exact situation. There we only 138 Bidwell votes when the test came, for one Gorham man voted for him on personal grounds, and he had 139 votes to Stow's 141. As to the *Union's* hue and cry against Mr. Parks' allowing the 63 Gorham delegates from San Francisco to vote on the preliminary organization, the Bidwell men knew how Mr. Parks was going to rule, and the caucus unanimously decided that the Gorham delegates were as much entitled to their seats as any members of the Convention. The *Union* wanted them to resort to the trick of sanctioning the action of the ten bolting delegates in the an Francisco County Convention, and thus urged a worse fraud than any that could have been perpetrated by Gorham's friends. As to the fraud and corruption in the State Convention, charged by the *Union*, there was nothing of it. No fairer Convention was ever held in the State. Bidwell was fairly beaten, and Gorham fairly nominated. As to Gorham, the more he knew of him the better he liked him. It was charged that the "roughs" were for him. Who do they mean by the "roughs?" The honest laboring men? But if bad men are for him, then he deserves more credit than any man in the State, for he has pandered to no base passion or prejudice, and he has lifted these men to a higher plane of manly principle than was ever occupied by any party before. The crowd clapped and cheered throughout, and closed with three rousing cheers for Gorham and three more for the speakers. The whole was a strong contrast to the rebel fizzle of the night before.

CHALLENGE ACCEPTED.—In another column will be found an advertised challenge from Joseph D. Budd, of Coburn's Station, to A. M. Bush, to fight him according to the established rules of the London prize ring. The challenge has been accepted, and the forfeit money—$250 a side—has been deposited in the hands of the stake-holder, Mr. W. B. Campbell. The balance of the stake, which is for $500 a side, is to be paid in weekly instalments, and the fight is to take place on the 29th of October next. Budd, we learn, is to be trained by McIntire, of Virginia City, and Bush is already in training by Matt. Tracy, who whippad Bill Blackwood near Grass Valley late in 1860. Budd didn't have to wait long for his customer, and from the promptness of the acceptance and deposit of the forfeit money, it is evident that both parties mean "business."

FESTIVAL.—We are requested to state that the ladies of the Methodist Episcopal church will give an ice cream and fruit festival on the fourth of September (next Wednesday evening), at the National, opposite the Dutch Flat hotel. This entertainment is offered as a farewell benefit to the Rev. P. Y. Cool, who leaves the next morning for Conference. There will be offered sale on the evening a few beautiful shell frames and sea-moss work, and those wishing parlor ornaments will do well to call and see them.

SPEECHES.—We are indebted to Senator Cole, for the Speeches of Senator Chandler of Michigan, and Senator Nye of Nevada, on Maximillian's decree ordering the execution of the Liberal prisoners. If any American doubts the justice and propriety if the shooting of Maximillian let him read these speeches and learn the facts, and he will be fully convinced that if any man ever deserved death it was the would-be Emperor of Mexico.

REDINGTON & CO.'S

ESSENCE OF JAMAICA GINGER.

THIS valuable preparation, containing in a highly concentrated form all the properties of the Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic it will be found invaluable to persons recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by wine or brandy, it is entirely free from the reactionary effects that follow the use of spirits of any kind.

It is also an excellent remedy for females who suffer from difficult menstruation, giving almost immediate relief to the spasms that so frequently accompany that period.

It gives immediate relief to Nausea, caused by the riding in a railroad car, or by sea-sickness, or other causes. It is also valuable as an external application for Gout, Rheumatism, Neuralgia, etc.

THIS CELEBRATED INSTITUTE

has enjoyed on this coast an uninterrupted success of fourteen years, and has become one of the renowned Hospitals of the age. What the celebrated Lock Hospital is to London, and the no less renowned establishment of Ricord is to Paris, this Institute has become to the Pacific coast. The thousands annually received and cured place it in point of number of patients among the very first of the world and the success of its treatment ranks it second to none.

PRIVATE DISEASES IN MALES and IRREGULARITIES IN FEMALES are the great destroyers of health. They insidiously attack the system and gradually undermine and destroy it; they drive the bloom from the cheek, the lustre from the eye, the strength from the frame; they give to the world puny and diseased offspring, and poison, through successive generations the race of man. The marks can be seen in Scrofula, Consumption, Cripples, the Idiotic, the Paralytic, the Insane, etc.

There is no more terrible scourge to the human race than those diseases arising from the contamination of Venerial Poison. The mildest forms, by retreating to the blood, hold over the afflicted one, the destruction that is liable at any moment to fall and blight—to utterly destroy—all earthly hopes.

MERCURY, recognized as the most fatal medical enemy to man, combining with the Venereal, doubles its dangers. Those who have been treated with that pernicious mineral poison are not cured; the disease has only assumed a new form.

Do not be satisfied with partial cures

that leave the poison to crawl through the system, eating its way into the tissues and organs beneath the apparently smooth surface, to burst out in the future with a virulence that will baffle the effects of medicine. WHEN PERFECT CURES can be obtained by consulting a physician whom long practice and thorough investigation into the causes of DISEASES of the URINARY ORGANS enables to determine at once the nature of the disease.

In all cases entrusted to the Doctor's care, PERFECT, SPEEDY and PERMANENT,

Cures are Always Guaranteed.

In syphilis and its adjuncts; Gonnorrhea and its accompanying diseases; and all diseases of the Bladder, Kidneys, and prostrate; Seminal Weakness Diseases of the Heart and Lungs; Dyspepsia; Indigestion, Impotency; Incipient consumption, and all diseases of the urinary organs, in either sex, cure always warranted, NO PAY REQUIRED, at the

Private Medical Institute,

Seminal Weakness or Spermatorrhœa.

The young man who experiences that growing weakness in his muscular and menta organization should stop to consider whence it arises. He will find in the weakness of the back, trembling of the limbs, disordered digestion unaccountable failing of the powers of the mind, distaste for society, dread of impending trouble, forebodings of evil, sleeplessness, troubled and lascivious dreams, accompanied by growing deafness, loss of muscular power, and numerous other symptons of disorganization, the positive traces of that most terrible and destructive of all diseases Seminal Weakness—wasting away his powers, destroying his hope of life and manhood, and dragging him along the broken path of his existence towards a premature and loathsome grave. To him who finds his life dribbling out in the discharge of the vital principle of existence in nocturnal and diurnal emissions, the mere cessation of its appearance brings no assurance of relief.

Marriage, that holy office, the safeguard and hope of manhood, brings to such an one no hope of cure, but adds to his misery in the knowledge that the one, who looks to him for so much of her happiness, is a victim to his evil, and an innocent companion of his punishment. He adds to his misery and disorder until hope leaves him. There is no rescue except in proper and skillful treatment. Consult then, at once, a physician whom long practice and careful research has made thoroughly conversant with every phase of the disease. Those who have become the victims of solitary vices, that dreadful, fascinating and destructive habit, which fills thousands o sick-rooms with paralytics and consumptives, and hundreds of untimely graves with its misguided victims, should consult, without a moment's delay, one who will sympathize with their sufferings. To such the Doctor would especially address himself, giving to each and all assurance of a PERFECT and PERMANENT CURE, without hindrance to business, change of diet, or fear of exposure.

Do not forget the address. See below.

Important to Females.

When a female is in trouble or afflicted with disease and requires medical or surgical assistance, the enquiry should be, Where is there a physician who is fully competent to administer relief, and whose respectable standing in society recommends him to the confidence of the community? The Doctor understanding how imperatively necessary these requirements are, feels called upon to interpose, and beg the attention of the afflicted to the fact that he has been a Professor of Obstetrics and Female Diseases for twenty years, and is fully qualified to administer in all cases, both medically and surgically, not in a superficial manner, but in as thorough a manner as years of study and practice—both in hospitals and private families—can make, to save them from the hands of the unqualified, unscrupulous and designing. Therefore families can rely upon him as upon a father. All in affliction can find in him one who will feel and sympathize with and befriend them in trouble—one in whose secrecy the utmost confidence can be placed. Consultation by letter or otherwise, FREE. See address below.

THE CELEBRATED FEMALE REMEDIES, compounded from the private prescription of Dr. Young, have now obtained a most extended popularity, and are correctly viewed to be the safest and surest remedies for the complaints for which they are applied. The constantly accruing testimonials of their efficacy declare them to be pre-eminently superior in their action. No lady should be without these Renovating Agents. None genuine unless procured at this office.

PRIVATE MEDICAL AID.

QUICK CURES AND MODERATE CHARGES.

DR. W. K. DOHERTY'S
Private Medical and Surgical Institute

Sacramento Street, below Montgomery, opposite the Pacific Mail Steamship Company's Office. Private entrance on Leidesdorff street, San Francisco.

Established expressly to afford the afflicted sound and scientific medical aid in the treatment and cure of all Private and Chronic Diseases, cases of Secrecy and all Sexual Disorders.

TO THE AFFLICTED.

DR. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all private disgases, viz: Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self-abuse, Gonorrhœa, Gleet, Strictures, Nocturnal and Diurnal emissions, Sexual Disability, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc., and no hopes that his long experience and successful practice will continue to ensure him a share of public prtronage. By the practice of many years in Europe and the United States, he is enabled to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, and has references from men of known respectability and high standing in society. All parties consulting him by letter or otherwise, will receive the best and gentlest treatment, and implicit secrecy.

DR. DOHERTY would call attention to the following certificates from two of his patients, who, having fully recovered their health, desire to make known their remedial agent. It will be seen their statements are fully authenticated by a Notary Public.

The welfare of society imperiously demand their publicity and they are given more to warn the unwary than to sound the praise of a Physician, of whom hundreds of like cases can be cited during a practice of more than fifteen years.

DR. DOHERTY—Dear Sir: I feel my health so fully restored, that in common gratitude, I believe I should make you some written acknowledgement for your valuable services—particularly as your fee was small for the work performed.

I arrived in this city from the East about one year ago, and was then suffering from an old case of Gleet, complicated with Stricture. Being a stranger in this city, and believing those Doctors who gave such positive assurances of success were necessarily the best, (some of whom have a large number of titles,) I placed myself in their charge and continued under their treatment until I had lost nearly all hope and a considerable sum of money.

I wish to say now that you are the sixth Doctor I have employed, and the only one that has ever done me any service. My Gleet is wholly cured, the Stricture is all removed, and my general health is better than it has been for years.

In conclusion, I would say to the many unfortunates who require medical advice, if you have any doubt as to whom you may employ, ask Dr. Doherty for my addres and call and see me. (I keep store in this city.) My experience may save you many dollars.

I would also add that in the early stage of my disease, I used a large amount of the preparations advertised as an infallible cure for Gonorrhœ, Gleet, etc., but never derived any benefit from them.

I am, Doctor, very truly yours,
L—— H——.

San Francisco, June 16, 1864.
subscibed and sworn to before me, this 21st day of June, A. D. 1864.
[L. S.] A. S. GOULD, Notary Public.

Seminal Weakness—A Sworn-to Certificate of a most Remarkable Cure of Spermatorrhœa.

A desire to benefit humanity, and a feeling of gratitude to Dr. W. K. Doherty, alone induces me to make this statement. For many years I have been afflicted with that fearful disease known as "Spermatorrhœa," or Seminal Weakness, the result of self-abuse, but till 1855 experienced but little trouble or inconvenience. In that year however, I had Seminal Weakness to an alarming extent, which was soon followed by the most alarming symptons as weakness of the back and limbs, pain in the head, dimness of vision, nervousness and general debility. My mind, too, was affected to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unfitted for any of the duties of life. From 1855 to the summer of 1863, I employed the very best medical talent I could find, and spent several hundred dollars, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but seeing Dr. Doherty's advertisement, I thought I would call and see him, as he charged nothing for consultation. I had an interview with Dr. Doherty at his office, in Sacramento street, and his fee for treatment was so reasonable, I determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last I placed myself under his care; in one week I found myself very much improved, and, now, after five weeks' treatment, I feel myself thoroughly cured of all my troubles and in the enjoyment of the best health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself JAMES JOHNSTON.

Subscribed and sworn t. before me, this 15th day of January, A. D. 1864.
[L. S.] A. G. RANDALL, Notary Public.

To Females.

When a female is in trouble, or afflicted with diseases as weakness of the back and limbs, pain in the head, dimness of sight, loss of muscular power, palpitation of the heart, irritability, nervousness, extreme urinary difficulties, derangement of digestive functions, general debility, vaginitis, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, they should go or write once to the celebrated female doctor, W. K. Doherty, at his Medical Institute, and consult him about their troubles and disease. The Doctor is effecting more cures than any other physician in the State of California. Let no false delicacy prevent you, but apply immediately and save yourself from painful sufferings and premature death. All Married Ladies whose delicate health or other circumstances prevent an increase in their families should write or call at Dr. W. K. Doherty's Medical Institute, and they will receive every possible relief and help. The Doctor's offices are so arranged that he can be consulted without fear of observation

To Correspondents.

Patients residing in any part of the State, however distant, who may desire the opinion and advice of Dr. Doherty on their respective cases, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred, Dr. Doherty takes this opportunity of observing, that all letters are only opened and replied to by himself, and the latter as promptly as possible.

If the case be fully and candidly described, personal communication will be superseded, as instructions for diet, regimen, and the general treatment of the case (including the remedies), will be forwarded without delay, and in such a manner as to convey no purport of the letter or parcel so transmitted. ☞ Consultation at the office FREE. MEDICAL ADVICE.—DR. WM. K. DOHERTY'S Medical and Surgical Institute is becoming a sine quo non to the welfare of our State and health of our citizens; and his rapidly spreading reputation, although it may excite surprise, is but the signal of skill, and follows as the natural result of such a cause. We are personally acquainted with gentlemen who had suffered for years under chronic disease, and who had taken advantage of every available means that promised relief, but without success, until they called upon Dr. Doherty, who, in an incredibly short space of time, has given them entire relief. It is gratifying to announce this fact, because the Dr. is a gentleman who seeks, not by defamation of others to establish his reputation or ruin of another's fame. The Doctor conducts his own Institute in such a manner must be gratifying to all his patients. He examines, advises, and recommends without charge, and the patient, after hearing his terms for treatment, can accept or reject at pleasure. In no case does the Doctor make a charge unless he effects a cure. This he is able to do, because he feels the confidence which long experience has given, and no doubt the consolation which appertain to that confidence. Persons afflicted with either acute or chronic disease, would do well to consult the Doctor; at all events, it can do no harm, as for consultation he asks no fee; nor does he insist on obedience to his advice unless the patient places himself under his care. His offices are on Sacramento street, opposite the Pacific Mail Steamship office.—NEWS

SPECIAL MEDICAL NOTICE.—DR. CHAS. H. TOZER would most respectfully inform the sick and afflicted that his MEDICAL INSTITUTE is at the same place, corner of Kearny and Jackson streets, San Francisco, where he has been established for many years, for the cure of special complaints. Having relinquished my old modes of advertising, which has become so common with all the Quack Doctors of San Francisco, filling up the newspapers with false references, for the purpose of imposing upon strangers. I think it is only necessary to inform those in need of a Physician of long experience and successful practice, that I can be consulted at all business hours, at my Medical Institute, corner of Kearny and Jackson streets, San Francisco.

Ladies suffering from the Whites, Piles, Weakness of the Back, Pain in the Side, Headache, Palpitation of the Heart, Derangement of their Monthly Sickness, and all other diseases that the Female System is subject to, will find prompt relief by applying to DR. TOZER.

My Female Monthly Pills were never known to fail in giving relief in those cases for which they are recommended. To be obtained only at my office. Price $5 00 with full directions on each Box. Sent by mail or express.

Address CHAS H. TOZER, M. D., San Francisco, Cal., or Lock Box, 1884. Consultation Free. ☞ All communications strictly confidential.

MEDICAL.

FRENCH MEDICAL OFFICE.

DR. JULIEN PERRAULT, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

DR. PERRAULT has pleasure to inform patients, and others seeking confidential medical advice; that he can be consulted daily at his office, Armory Hall Building, North-East corner Montgomery and Sacramento streets, San Francisco. Rooms No. 9, 10, 11, first floor, up stairs entrance either Montgomery or Sacramento streets.

DR. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptons: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, the Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded and there is a disinclination to attend to business, or even to reading, writign or the society of friends, etc, The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are Weakened and sleep disturbed by dreams, melancholy, sighing, palpitations, faintings, coughs and slow fever; while some have external rheumatic pain, and numbness of the body. Some of the most common symptons are pimples in the face and aching in different parts of the body. Patients suffering from this disease, should apply immediately to DR. PERRAULT, either in person or by letter as he will guarantee a cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from venereal diseases in any stage Gonorrhea, Gleet, Strictures, Bubo Ulcers, Cutaneous Eruptions, etc., will be treated success fully. All Syphilitic and Mercurial Taints entirely removed from the system.

DR. PERRAULT'S diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under chronic diseases, can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfil our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till worn out and discouraged, to call upon us.

Low charges and quick cures.

Ladies suffering from any complaint incidental to their sex, can consult the doctor, with the assurance of relief.

Female Monthly Pills.

DR. PERRAULT IS the only agent in California for DR. BIOT'S Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached, and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On the receipt of five dollars, these Pills will be sent by mail or express to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to Dr. PERRAULT, corner of Sacramento and Montgomery streets, Rooms, 10 and 11, or Box 973, P. O., San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc.

MEDICAL

DR. CHAS. H. TOZER'S

PRIVATE MEDICAL INSTITUTE

N. E. Corner of Kearny and Jackson Streets,

SAN FRANCISCO.

The Great Eradicator of Special complaints, formerly of Locke Hospital, London; Eight Years in Sacramento, and the last Four Years in San Francisco.

DR. TOZER'S

Experience is of forty year's standing, and during that time he has met with unparalleled success in the treatment of all those diseases generally known as Venereal or Chronic.

It is impossible here to mention all the diseases with which he is familiar; some, perhaps, will not be out of place. The most formidable, the most destructive to mankind is Self-Abuse. The brain being the seat of the disease, the whole system suffers in consequence; I will here enumerate some of the symptoms, so that those afflicted may be able to form an opinion in regard to their complaints and seek advice in time, thereby saving themselves a world of suffering: Nervous Debility, Loss of Memory, Pain in the Limbs and Back, Palpitation of the Heart, Trembling of the limbs, Headache and an aversion to general society, especially that of females. There are a great many more, but these are sufficient, and should you be suffering from any of them, call on Dr. TOZER, and he will cure you in a short time, without any interruption to your business—or state your case by letter, and there will be no occasion for your calling at the office.

Stricture of the Urethra

Is another formidable enemy to health. Send for one of my circulars on that disease, and inform yourself of its terrible results. The worst cases cured in a few days.

Venereal Diseases,

In all their various forms, either Primary, Secondary or Hereditary, completely eradicated from the system. Your constitution being restored to perfect health, there will be no danger of handing down to your children that terrible disease known as Scrofula

Syphilitic Disease,

As it presents itself on this coast, is of a more formidable character than that seen in the Atlantic States or Europe, arising from the fact of its being a compound of Spanish, Chinese and Sandwich Island disease. Those of you who have visited the two countries no doubt have seen the dreadful effects of it on the native and foreign population. It requires altogether different modes of treatment.

The Old Formulas

Of Ricord, Acton and Bostwick, are of little account, except to dry up the disease on the surface, leaving the poison in the blood, which, sooner or later, will show itself as a secondary disease in an aggravated form. These facts I have learned by experience, and think I can say without boasting, that I have seen more practice in these diseases than any other physician in San Francisco, dating, as it does, from 1849. It becomes you, therefore, to think well before you employ a physician. Who is the proper one to consult? An old experienced one, or one who has recently settled among you?

My plan is purely vegetable, destroying the disease and purifying the blood so that there is no danger of secondary symptoms.

Rheumatism, Neuralgia,

And diseases arising from the use of Mercury, such as pains in the skin bones, swellings of the different joints of the body, running sores, etc., and impurities of the blood, cured in a short time by the use of my VEGETABLE MIXTURES, known only to myself.

Seminal Weakness,

Should you be afflicted with any of the following symptoms, such as weakness of the Back and Limbs Pain in the Head, Dimness of Vision, Nervousness and General Debility, Loss of Memory, Confusion of Ideas, and Depression of Spirits, Evil Forebodings, Self-distrust, and an aversion to society, consult DR. TOZER at once, and he will restore you to perfect health.

To Females,

When you are afflicted with Weakness of the Back and Limbs, Head, Loss of Muscular Power, Palpitation of the Heart, Irritability, Nervousness, Extreme Urinary Difficulties, Derangement of the Monthly Sickness, Sterility, and other diseases peculiar to females, consult DR. TOZER, and you will receive particular attention. Let no false delicacy prevent you, but apply at once, and save yourself from painful suffering and premature death.

My rooms are so arranged that there is no danger of exposure, and of meeting any one save the Doctor. My FEMALE MONTHLY PILLS were never known to fail in giving relief in those cases for which they are recommended. To be obtained only at my office.

Price, FIVE DOLLARS—with full directions on each Box. Sent by Express.

To Correspondents.

Patients of either sex, residing in any part of the country, however distant, who may desire the opinion and advice of DR. TOZER, can, by submitting a written statement of their case to the Doctor, receive all the attention and medicines necessary to affect a cure without the necessity of a personal interview.

All letters strictly confidential, opened and replied to by the Doctor himself.

Consultation at the office or by letter, FREE.

Cures in all cases guaranteed

A Grateful Acknowledgement to Skillful Gentlemen.

SAN FRANCISCO, June 1, 1866.

Dr. Chas. H. Tozer:—Dear Sir: You will excuse me for not writing to you sooner. You will please remember me as the individual who called on you for assistance about a year ago. The roof of my mouth had completely rotted out, and my palate dropped and there remained, stopping up the passage so that I could hardly eat. You remember you cut it out at once, which relieved me immediately, and I was enabled to swallow my food, and in a short time began to improve. I took your medicine, and followed your directions for several months. You finally succeeded in stopping the disease, saving my nose and upper lip, though you frequently cautioned me about losing it. I continued to improve until you finally recommended me to go into the country, and before going, by your advice, I had a cast taken of my mouth, in order that I could have a plate made for me to enable me to speak so as to be understood, and am now using it. My eternal thanks are due to you for the perseverance and skill that you displayed in my case; and I have to thank you for my restored health, and even my life, as I was very near bleeding to death several times from the nose. I am now in Sacramento City, enjoying good health, and I shall recommend all my friends to call on you should they be so unfortunate as to require assistance; and I would advise all persons to avoid certain scientific doctors in your city, for they will send them to a land from whence no traveler returns.

With my best wishes for the success of both of you, I remain, yours, etc.,
S. S. T.
